

10th ICARE Meeting "Digital Era: Leading in Times of Disruption"

June 16 2020

On Tuesday, June 16, the digital meeting "Leading in Times of Disruption: How to Re-imagine and Remodel Business and Society" was held.

Chaired by Lorenzo Gazmuri, vice-president of ICARE, this space counted with the participation of Otto Scharmer, professor at MIT Sloan.

Scharmer is also the author of several books, the most recent being The Essentials of Theory U.

The meeting, transmitted through ICARE TV in collaboration with EMOL, was held thanks to the support of MIT Sloan Latin America and, for the first time, together with the Institute for Business Development of Argentina (IDEA).

Throughout the transmission of this important meeting, MundoChile was a key player providing its English - Spanish - English interpreting services through the Icare TV streaming signal. Our interpreters are prepared with everything necessary for this adaptation to the new remote way of working, achieving a successful result in all the webinars and meetings in which we have participated.
